

Implementing School Wellness Plans

Programs, Tools, and Activities for Success
PANA Satellite Professional Development Training

DATE: Tuesday, November 14, 2007 **TIME:** 8:45am-12:00noon

Register online: <http://www.panaonline.org>

Choose from 29 site locations - Act 48 hours provided

Registration Fee:

\$10/person AND \$5/person from a Keystone Healthy Zone

The training will host national, state, and local leaders, and feature practical ideas and easy to use programs, tools, and activities to help implement school wellness policies.

The Food Trust

Great Materials for ALL Age Groups!

Participants will learn about **after school resources** for elementary schools, **online tools** for teachers, and how to start up **school markets** for middle and high schools. You'll also learn more about the NEW energy balance campaign, **NRG-Powered by Choice**.

PANA is partially supported by the department of Health through a grant from the Centers for Disease Control and Prevention (CDC) with programs delivered by Penn State University. For more information: <http://www.panaonline.org>
