

Annual Keystone Active Zone Training
February 12, 2008
8:45am-12:00pm

Program Objectives:

1. Learn about the purpose and benefits of participating in the Keystone Active Zones Campaign to promote close to home parks and trails
2. Gather creative ideas for partnerships and event coordination with Keystone Active Zone Campaign from state and community representatives.
3. Introduce ideas on how to incorporate lifetime recreation activity skills training into the KAZ campaign
